## ***Principal's Message***

### **Helpers Needed**

Hurstville South Public School is excited to be hosting The St George Brick Fair 2018 on Sunday 18 November, 2018 between 10am and 4pm.

The St George Brick Fair is a fantastic community event and raises a lot of money for the school.

We are still looking for more helpers with the St George Brick Fair. If you can help out on or prior to the day of the Brick Fair, please fill in the St George Brick Fair volunteer note and return to the office. Alternatively send an email to [fundraising@hspspandc.com.au](mailto:fundraising@hspspandc.com.au) with your contact details.

### **MINI-FIGS OUT AND ABOUT— Instagram Competition**

As part of the lead up to the 2018 St George Brick Fair, we are running the "Mini-figs Out and About" competition. You only have to follow 3 easy steps to be in the running for Lego prizes and / or VIP tickets to the 2018 St George Brick Fair. See illustration on the next page of this newsletter for details on how to enter.

### **Enrichment Program 2019**

Hurstville South Public School is planning classes for the 2019 school year. Next year we will have an Enrichment class in Stage 2 and Stage 3.

As part of our classroom practice all students will be assessed during the semester and this information will be used to determine enrichment class placements for Stage 2 and 3 in 2019.

If you feel there is a possible discrepancy between your child's performance and ability that would prevent their identification through this method please complete a parent nomination form which can be collected from the office or emailed if requested.

Please remember enrichment classes do not suit every student. You may prefer your child is not placed in an enrichment class. If you would prefer your child was not considered for an enrichment class in 2019, please email the school at [hurstvills-p.school@det.nsw.edu.au](mailto:hurstvills-p.school@det.nsw.edu.au).

### **School Disco**

The P & C run disco is on Friday 2nd November. Our students love a disco! I hope you have this 'just for fun' event marked in your calendar. A copy of the note is included in this newsletter. Please remember to bring the permission note on 2nd November to purchase a ticket. To speed up the line purchasing tickets please have the note filled in and have the correct money. It is \$5 per ticket and glow products will also be for sale. These are always popular.

All students must be picked up promptly at the end of the disco. Under no circumstances is a child allowed to walk home from the disco. **All students must be picked up by the person nominated on the permission note and they must be over 18 years of age.**

### **School Photos**

School photos are on Tuesday. Please make sure all students are in full summer school uniform. All members of the band need to bring their instruments and black band pants as per the photo note. See copy of the letter in this newsletter.

# Kindergarten Enrolments

We are taking enrolments for 2019. If you have a child starting school next year please collect an enrolment form from the office **urgently**.

If you live out of the Hurstville South drawing area you will need to complete an out of area enrolment form. These should already have been completed.

Our enrolment committee will meet again soon to start making decisions regarding enrolments.

Invitations to our Kindergarten transition program were sent home last term. If you did not receive an invite it is because we do not have an enrolment form completed for your child. **Please rush in with your enrolment form so we can send you an invite. We do not want your child to miss out. The name badges are almost finished and we are looking forward to our transition program starting.**

## **Have your say on diabetes in schools**

Diabetes Australia is currently leading consultation to develop a national program to better support kids with type 1 diabetes in schools.

The new nationally consistent training program for teachers and school staff will be targeted at every school with a student with type 1 diabetes and this will cover the safe administration of insulin, hypoglycemia (low blood glucose level) management, and 'normalising' diabetes in schools so the students are not stigmatised.

The program will also clarify the legal framework for diabetes management in schools and resolve any confusion over who can train school staff, and which school staff should be trained.

To ensure the new program meets the needs of schools, students and parents, and builds on all the good work already happening, we want to hear from you about what works and what needs to be improved.

Register to attend one of our information sessions using the links below:

## Stage 2 Science Incursion

On Thursday 13<sup>th</sup> September, Stage 2 had a science incursion. It was the Jollybops Science Show. Doctor Popoff and Rusty the Robot were demonstrating that things that look like magic may actually be science.

The show was very engaging and there were lots of opportunities for student participation.

*"It was entertaining, educational, exciting and fun."*  
Mylinh 3/4R

*"The science show was cool and amazing. My favourite part was when the balloon was inflated and then we saw air in real life."*

Yuna 3/4R

*"When the show started, Doctor Popoff hit a bin and rings of clouds flew out. My favourite experiment was the liquid that changed colour. Rusty the Robot kept saying funny stuff, like he wore nappies and pretended he was in love with the teachers!"*

Lydia 3/4R

## Kaleidoscope Science—Kindergarten

### **Basketball—Years 3 & 4**

In weeks 8 and 9 stage 2 students were lucky enough to participate in two basketball sessions with Liam from St George Basketball association. The children thoroughly enjoyed activities such as skills, dribbling, learning the rules and team work.

Liam provided interactive sessions and hopefully it will encourage children to take up basketball.

# The canteen cares for the environment

The Environment Team instigated discussions with Jan, the manager from the canteen about the impact of packaging on the environment.

We worked in collaboration to research a more environmentally friendly option and shared our findings with the canteen. The canteen will now switch to using recycled, biodegradable packaging. This is good news for the environment!

There is a slight increase in the prices of food due to the fact that the environmentally friendly packaging is more expensive. We hope that you agree, this is a small price to pay to reduce our environmental footprint. Please see the new menu in this newsletter.

The canteen is also on board with our composting system, further helping to reduce our school's environmental impact.

Thank you to Margarita and Tina from the canteen who work very hard every day, we all appreciate you!

Ms Farmer

Environment Team Coordinator

### A very good place to start

For more than 30 years, the Australian Girls Choir has played a role in the growth and development of girls across the country. We provide an experience that goes far beyond the stage; your daughter will develop confidence, public speaking and presentation skills, resilience and friendships that will last a lifetime.

Our senior performers have entertained everyone from Queen Elizabeth II to Oprah, and have shared the stage with a long list of artists including Hugh Jackman and Pharrell Williams. For the past 20 years, we've been proud to represent Qantas at live events and in the 'I Still Call Australia Home' advertising campaigns.
